

## Amplitud 15,6" Touch POS system (TrueFlat, QuadCore J1900, 4GB RAM, 128GB SSD, P-CAP-touch, fanless), no OS

The modern all-in-one touch-screen system with a powerful QuadCore J1900 processor and 4GB RAM/64-128 GB SSD user memory is ideal for anyone, who appreciated professional features combined with state-of-the-art design and exceptional facilities. It offers a projected capacitive touch display for even better functionality and higher durability with multi-touch support.

# Technical Description

## Functionality & Operation

|                         |                                         |
|-------------------------|-----------------------------------------|
| Storage device          | SATA SSD 128 GB                         |
| Touch-screen panel      | Yes, capacitive multi-touch             |
| Expansion slot          | 2x Mini PCIE (1x WiFi/3G, 1x mSata)     |
| CPU Type                | Intel Celeron J1900 Quad Core 2,42 GHz  |
| Display type            | 15.6" TrueFlat, 1366 x 768, P-CAP touch |
| Brightness              | 220cd/m2                                |
| Communication interface | Audio, Ethernet, RS232, USB, VGA        |
| Operating system        | without operating system                |
| Operation interface     | ON/OFF, color touch LCD panel           |
| Memory                  | 4GB SO-DIMM RAM                         |

## Electrical

|              |                   |
|--------------|-------------------|
| Power Source | 100-240V, 50-60Hz |
|--------------|-------------------|

## Mechanical

|              |                                                 |
|--------------|-------------------------------------------------|
| Dimensions   | Width: 399.6mm, Height: 294.3mm Length: 193.9mm |
| Color        | black                                           |
| Body housing | aluminium                                       |

## Environment

|                                     |             |
|-------------------------------------|-------------|
| Storage temperature                 | -20 to 60°C |
| Storage humidity (non-condensing)   | 10 to 80%   |
| Operating temperature               | 0 to 40°C   |
| Operating humidity (non-condensing) | 10 to 80%   |
