

Magellan 9400i, 1D/2D In-Counter Code Scanner with Scale, multi-IF, Digimarc, EAS

The in-counter scanner Magellan 9300i/9400i from Datalogic captivates with its proven housing conception and powerful 2D imager technology for 1D, 2D and Digimarc barcodes (9400i). As a result it quickly and reliably scans the product from all planes, ensuring for high throughput at the checkout. Its shape will remind you of a traditional in-counter scanner, with its horizontal and vertical window. It comes in three various length variations, offering compatibility with existing POS areas and scanning technologies, and at an attractive price-performance ratio.

The Magellan™ 9400i scanner/scale: a new class of high performance barcode scanners. With digital imagers in all planes, the 9400i scanners read both 1D and 2D barcodes seamlessly without requiring item orientation by the cashier.

With a more traditional bonnet height and large horizontal and vertical windows, the Magellan 9400i allows optimum positioning for POS or self-checkout touchscreens, payment terminals and printers while maintaining ergonomic comfort for both seated and standing cashiers.

Key features:

- high-performance scanner for 1D/2D codes and Digimarc (Digital Watermarks) codes
- configurable audio / visual indicators identify items placed outside weighing surface
- easy remote management thanks to SW tools - Scanalyzer On-Screen Programming
- Electronic Article Surveillance (EAS) system for product protection
- easy scanning of coupons from mobile phones, customer cards
- maximum weight capacity of 15 kg
- weight sensitivity: 2 g (0 - 6 kg) and 5 g (6 - 15 kg)

Technical Description

Functionality & Operation

Indicators	Volume; Supports WAV file formats, Visual: Good Read confirmation for all reading planes; Scale center of zero; ScaleSentry event; Sensormatic EAS status
Programmable features	OPOS, JavaPOS
1D Barcode Symbolologies	All standard one-dimension barcodes
2D Code Symbolologies	Aztec, Data Matrix, QR code, Micro QR Code, GS1 DataBar Composite Code, MicroPDF417, PDF417
Communication interface	IBM-46xx, RS232, USB

Electrical

Power Source	AC Input: 100 - 240 VAC, 50-60 Hz
--------------	-----------------------------------

Mechanical

Dimensions	Width: 292mm, Height: 232mm Length: 401mm
------------	---

Environment

Storage temperature	-40 to 70°C
Operating humidity (non-condensing)	5 to 95%
Operating temperature	10 to 40°C
Maximal ambient light	86080lux

Others

Warranty	1 year
