## ScanPal EDA70 - rugged tablet 1D/2D, Android, WLAN

Honeywell The ScanPal EDA70 is an elegant, lightweight, 7" robust Android™ platform mobile tablet, ideal for workflows requiring intense scanning, reliable communication and information access, and seamless processing of multiple tasks.

Honeywell's ScanPal EDA70 is a rugged, enterprise-class 7" tablet computer delivering real-time connectivity, fast data capture capabilities and enterprise levels of reliability and protection.

The ScanPal EDA70 features a fast processor, 1D/2D barcode scanning and a built-in camera, plus enough battery life to last a full shift and beyond, keeping mobile workers always connected to crucial information to place orders, check stock, look up order status or scan items as they are removed for delivery.

### Key featured:

- Powerful, Flexible Android Operating System
- Easy To Use Integrated Barcode Scanning
- Large Touchscreen Display high durability, can be used even with wet hands
- Built For Rugged Environments IP64

The package contains only the tablet itself. It is necessary to buy accessories.

# Technical Description

## Functionality & Operation

|                        |   |
|------------------------|---|
| Wireless communication | Bluetooth®, WiFi, NFC   |
| GPS navigation         | BeiDou, GLONASS   |
| WLAN Features          | IEEE 802.11 a/b/g/n   |
| Touch-screen panel     | capacitive multi-touch  |
| Display type           | 7" HD 1280x720px , bright color LCD with backlight, outdoor viewable, optically bonded to touch panel |
| Audio                  | speaker , Bluetooth wireless headset support  |
| Operation interface    | volume up and down keys, ON/OFF, color touch LCD panel, scan button                                   |
| Expansion slot         | Micro SD Card (SDHC) 32 GB  |
| CPU Type               | 1.2 GHz Qualcomm MSM8916 quad-core  |
| Operating system       | Android   |
| Memory                 | 2GB RAM/16 GB Flash   |

## Optical

|                  |   |
|------------------|---|
| Bar code scanner | 2D Imager                                     |
| Camera           | 5 MPix  |
| Sensors          | light sensor, accelerometer, proximity sensor |

## Electrical

|                   |  |
|-------------------|--|
| Main battery pack | Rechargeable Li-Ion battery 4000 mAh, 3,8V |
|-------------------|--|

## Mechanical

|            |  |
|------------|--|
| Dimensions | Width: 118mm, Height: 21mm Length: 214mm |
| Weight     | 550g                                     |

## Environment

|                                     |   |
|-------------------------------------|---|
| Operating temperature               | -10 to 50°C   |
| Storage temperature                 | -20 to 60°C   |
| Operating humidity (non-condensing) | 10 to 90%   |
| Shock resistance                    | drop from 1,2 m onto concrete surface, 200 tumbles at 0,5 m |
| Ingress protection                  | IP64  |
| Electrical static discharge         | ±12kV air, ±8kV contact                                     |
